### IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT

This disclosure contains important information about our Home Equity Line of Credit. You should read it carefully, and keep a copy for your records.

#### AVAILABILITY OF TERMS:

All of the terms described below are subject to change. If these terms change (other than the ANNUAL PERCENTAGE RATE) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees you paid to us or anyone else in connection with your application.

#### SECURITY INTEREST:

We will take a mortgage on your home. You could lose your home if you do not meet the obligations in your Agreement and Note with us.

#### POSSIBLE ACTIONS:

We can terminate your line, require you to pay us the entire outstanding balance in one payment, and charge you certain fees if:

- 1) You engage in fraud or material misrepresentation in connection with the Line of Credit.
- 2) You do not meet repayment terms.
- 3) Your action or inaction adversely affects the security or our rights in the security.

#### We can refuse to make additional extensions of credit, freeze, or reduce your credit limit if:

- 1) The value of the dwelling securing the line declines significantly below its appraised value for purposes of the line.
- 2) We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances.
- 3) You are in default of a material obligation in the Agreement and Note.
- 4) Government action prevents us from imposing the ANNUAL PERCENTAGE RATE provided for or impairs our security interest such that the value of security is less than 120 percent of the credit line.
- 5) A regulatory agency has notified us that continued advances would constitute an unsafe and unsound practice.
- 6) The maximum ANNUAL PERCENTAGE RATE is reached.

The initial Agreement permits us to make certain changes to the terms of the Note and Agreement at specified times or upon the occurrence of specified events.

#### MINIMUM PAYMENT REQUIREMENTS:

You can obtain advances of credit for 15 years (the draw period). During the draw period, payments will be due monthly. Your minimum monthly payment will equal the greater of \$50.00 or 1/180th of the outstanding balance plus the finance charges that have accrued on the outstanding balance. After the draw period ends, if you still owe amounts under this Agreement, you must pay those amounts in full on that date. "Your minimum payments may not be sufficient to fully repay the principal that is outstanding on your line. If they are not, you will be required to pay the entire outstanding balance in a single payment". We are under no obligation to extend to you credit beyond the expiration date or to refinance any amounts then owing. After the draw period ends, you will no longer be able to obtain credit advances, and must repay the outstanding balance.

**MINIMUM PAYMENT EXAMPLE:**

If you made only the minimum monthly payment and took no other credit advances, it would take 15 years to pay off a credit advance of \$10,000.00 at an ANNUAL PERCENTAGE RATE OF 4.50% during that period; you would make 179 payments varying between \$92.55 and \$58.02, with a final payment of \$55.77.

**FEES AND CHARGES:**

To open and maintain a Line of Credit, you must pay the following fees and charges:

Fee	Amount	Due
ORINATION FEE	\$150.00 or \$300.00	DUE with "ACCEPTED DISCLOSURES"
EARLY TERMINATION FEE	\$500.00	IF CLOSED WITHIN 24 MONTHS

**MINIMUM DRAW AND BALANCE REQUIREMENTS:**

The minimum credit advance you can receive is \$500.00. Balances of less than \$50.00 must be paid in full.

**TAX DEDUCTIBILITY:**

You should consult a tax advisor regarding the DEDUCTIBILITY of interest and charges for the line.

**VARIABLE-RATE FEATURE:**

The line has a variable-rate feature, and the ANNUAL PERCENTAGE RATE (corresponding to the periodic rate) and the minimum payment can change as a result. (Please refer to the booklet entitled "When Your Home is on the Line" for further information.)

The ANNUAL PERCENTAGE RATE includes only interest and not other costs.

The ANNUAL PERCENTAGE RATE is subject to change when and as the Prime Rate changes.

The ANNUAL PERCENTAGE RATE is based on the value of an index. The index is the highest Prime Rate, as published in the Wall Street Journal daily. To determine the ANNUAL PERCENTAGE RATE that will apply, we subtract a margin of .75% from the value of the index. The minimum interest rate to be charged during the life of this credit line will be no less than 2.50%.

Ask us for the current index value, margin and ANNUAL PERCENTAGE RATE. After you open a credit line, rate information will be provided on periodic statements that we will send you.

**RATE CHANGES:**

The ANNUAL PERCENTAGE RATE can change each month. The maximum ANNUAL PERCENTAGE RATE that can apply is 15.000%. Except for this 15.000% "cap", there is no limit on the amount by which the rate can change during any one-year period.

**MAXIMUM RATE AND PAYMENT EXAMPLES:**

If you had an outstanding balance of \$10,000.00 during the draw period, the minimum monthly payment at the maximum ANNUAL PERCENTAGE RATE of 15.000% would be \$178.85. This ANNUAL PERCENTAGE RATE could be reached during the first month of the draw period.

**HISTORICAL EXAMPLE:**

The following table shows the ANNUAL PERCENTAGE RATE and the minimum monthly payments for a single \$10,000.00 credit advance would have changed based on changes in the index over the past 15 years. The index values are from the last business day in NOVEMBER of each year. While only one payment amount per year is shown, payments would have varied during each year. This table does not necessarily indicate how the index or your payments will change in the future.

The table assumes that no additional credit advances were taken, that only the minimum payments were made each month, and that the rate remained constant during each year. It does not necessarily indicate how the index or your payments will change in the future.
